

The Illinois River: Working Locally, Reaching Globally

Michele Sullivan

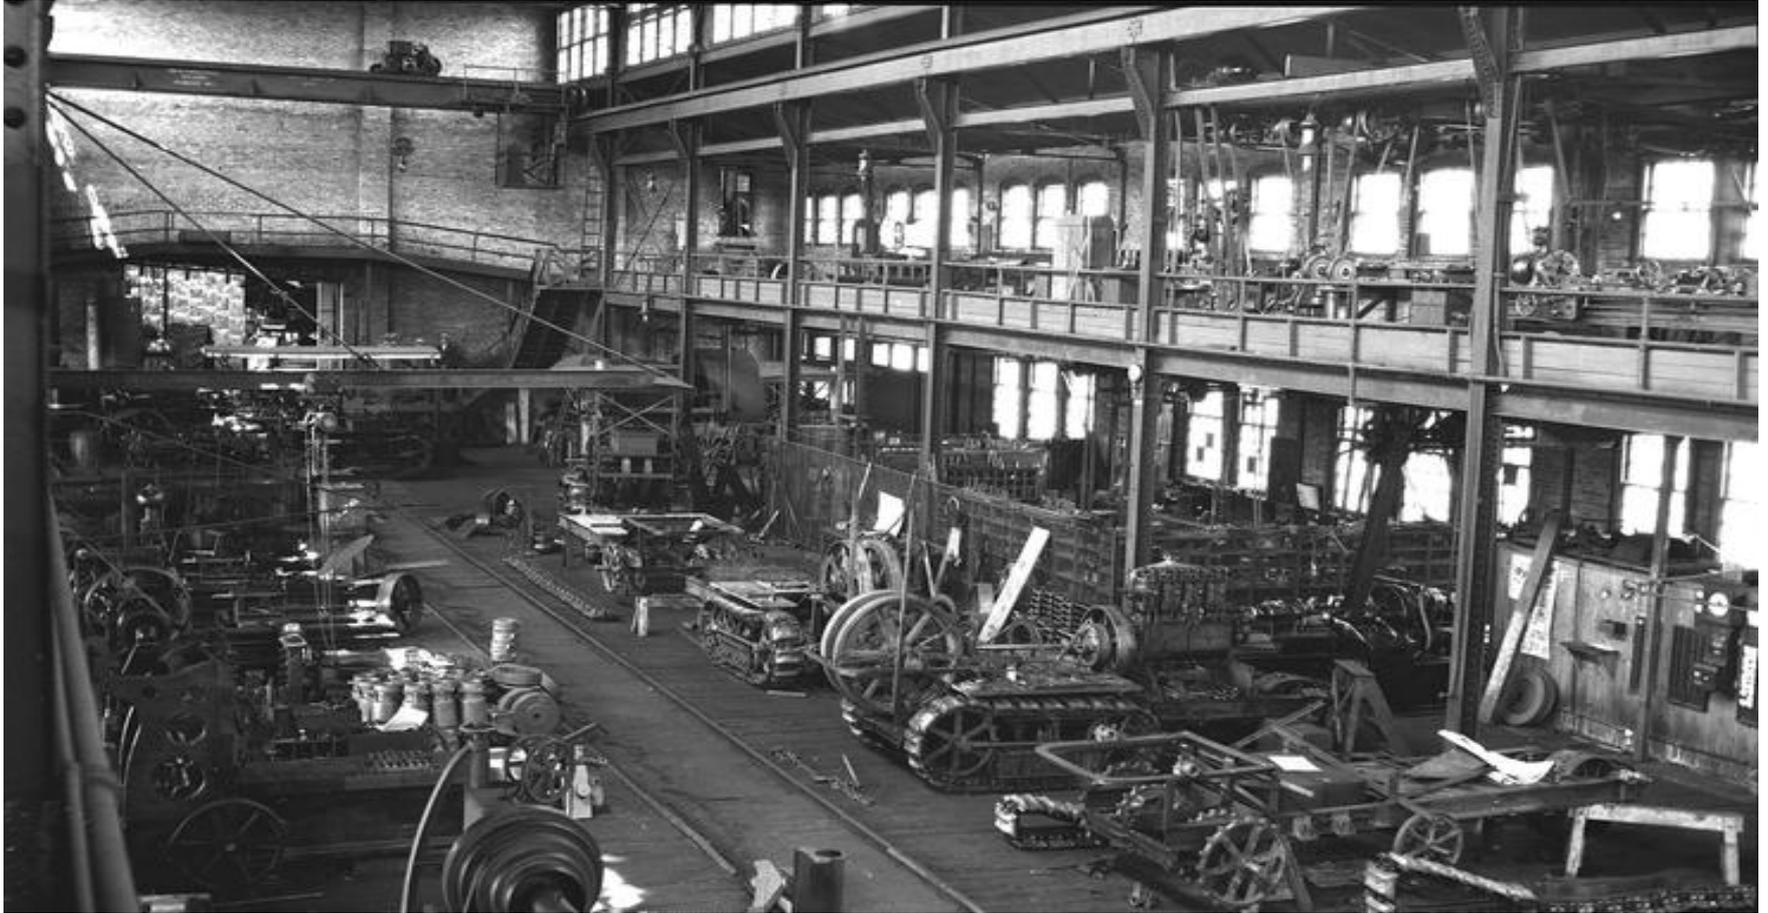

President of the Caterpillar Foundation

October 2013

Peoria: Heart of Caterpillar and the GRP

Caterpillar History on the Illinois River

1910 - East Peoria Facility Begins Operations

Caterpillar History on the Illinois River

1967 – Mapleton, IL Foundry Established

Caterpillar History on the Illinois River

East Peoria - Before

East Peoria - After

East Peoria – 2009 Natural Landscaping Project

Partners in Freshwater Conservation

Caterpillar's Commitment : Local

Illinois River Valley

CATERPILLAR[®]
TODAY'S WORK. TOMORROW'S WORLD.™

Caterpillar's Commitment: AND Global

Mekong River, China

Local Example: Restoring Emiquon

Global Example: Water Management in China

Xuzhou Excavator Facility

- Regional water shortages
- Installed grey water system
- Recycles water for washing, painting, landscaping
- Annual Savings: 7 million gallons

Desired Outcomes

- Outcomes:
- Local education = sustainable agriculture
- Increasing prosperity of local communities
- Sustainable management of resources
- Strong Ecosystems = Strong Economies

The Caterpillar Foundation – Next Steps

- New strategy emphasizes collaboration and partnerships
- Invest in best ROI
